WATER DISTRICT NO. 2 TO REVISE	)	
EXTENSION POLICY PURSUANT TO 807	)	CASE NO. 93-154
KAR 5:066, SECTION 11(4)	)	

O R D E R

On March 24, 1993, Henry County Water District No. 2 ("Henry County") filed a tariff wherein it proposed to revise its extension policy. As set out in 807 KAR 5:006, Section 11(4), a utility is permitted to construct extensions under "different arrangements" than those otherwise required by the regulation, provided such arrangements have been approved by the Commission.

The different arrangement proposed by Henry County is the requirement of five customers per mile in order for the district to pay one-half of construction costs.

After reviewing the proposed tariff, the Commission finds that the extension policy should be approved.

IT IS THEREFORE ORDERED that the extension policy proposed by Henry County is approved pursuant to 807 KAR 5:066, Section 11(4).

Done at Frankfort, Kentucky, this 3rd day of May, 1993.
